2021 COMMENCEMENT
CEREMONY

FRIDAY, JUNE 18, 2021

THE CLASS OF 2021

UCSF Weill Institute for Neurosciences

Department of Psychiatry
and Behavioral Sciences

COMMENCEMENT SPEAKER

Alissa Peterson, MD

*Health Sciences Associate Clinical Professor, UCSF Department of Psychiatry and Behavioral Sciences
Associate Program Director for Clinical Rotations & Program Evaluation and ZSFG Site Director, UCSF Adult Psychiatry Residency Training Program*

Dr. Alissa Peterson is a Health Sciences Associate Clinical Professor in the UCSF Department of Psychiatry and Behavioral Sciences. She is a graduate of UCSF School of Medicine and the UCSF Adult Psychiatry Residency Training Program. Since joining the department faculty in 2009, she has been based primarily at Zuckerberg San Francisco General Hospital and Trauma Center (ZSFG) on the inpatient psychiatry service. In 2014, she became the Site Director for Psychiatry Residency Training at ZSFG and, in 2015, an Associate Program Director for the residency training program in charge of clinical rotations and program evaluation. Her interest and passion for medical education led to her selection as a Bridges Coach in the School of Medicine in 2017.

Dr. Peterson has won numerous teaching awards over the course of her career at UCSF, including the Haile T. Debas Academy of Medical Educators Excellence in Teaching Award and the American Medical Student Association's Women Leaders in Medicine Award. In 2017, she was inducted into the UCSF Academy of Medical Educators.

2020–2021 Chief Residents and Fellows

Each year, the Adult Psychiatry Residency Training Program and Child and Adolescent Psychiatry Fellowship Program select a number of senior trainees who have demonstrated exceptional clinical and academic leadership skills to serve as chief residents and fellows. These chiefs support the key missions of their respective programs while functioning as mentors and advocates for their trainee colleagues.

ADULT PSYCHIATRY RESIDENCY TRAINING PROGRAM

Eric Alcid, MD, PhD

Chief Resident for LPPHC Intensive Services, Consultation-Liaison Service

Lucas Broster, MD, PhD

Chief Resident for LPPHC Ambulatory Services

Kathryn Kinasz, MD

Chief Resident for Zuckerberg San Francisco General Hospital and Trauma Center

Juliet Morgan, MD

Chief Resident for Education

Kristin Nguyen, MD

Chief Resident for Clinical Programs

Nicholas Rozón, MD

Chief Resident for the San Francisco VA Medical Center

Panid Sharifnia, MD, PhD

Chief Resident for LPPHC Intensive Services, Adult Inpatient Service

CHILD AND ADOLESCENT PSYCHIATRY FELLOWSHIP PROGRAM

Stacie Collins, MD

Chief Fellow

Xiomara Urban, MD

Chief Fellow

UCSF Department of Psychiatry and Behavioral Sciences Trainee Research Awards

The UCSF Psychiatry and Behavioral Sciences Trainee Research Award Committee annually selects trainees conducting notable and advanced research through a competitive application process. Those selected are given the opportunity to present their scholarship and research during department Grand Rounds events, receive additional mentorship and guidance from faculty researchers, discuss their work with departmental leadership, and are recognized at a special luncheon.

Adult Psychiatry Residency Training Program

Director: Erick Hung, MD

This four-year training program's vision is, "Leaders in Psychiatry: Training Pioneers in Clinical Care, Research, Education, and Public Policy." It admits 16 residents per class, with rotations across multiple sites, including Langley Porter Psychiatric Hospital and Clinics, Zuckerberg San Francisco General Hospital and Trauma Center, the San Francisco VA Health Care System, and the UCSF Health system. The program prepares residents to successful careers as leaders in clinical practice, community service, education, and research.
