

UNIVERSITY OF CALIFORNIA, SAN FRANCISCO
DEPARTMENT OF PSYCHIATRY
AND BEHAVIORAL SCIENCES

2022 COMMENCEMENT CEREMONY

FRIDAY, JUNE 17, 2022

COMMENCEMENT SPEAKER

Erick Hung, MD

Professor of Clinical Psychiatry

Director, UCSF Adult Psychiatry Residency Training Program

Director of Curricular Affairs for GME, UCSF School of Medicine

Dr. Erick Hung is a professor of clinical psychiatry in the UCSF Department of Psychiatry and Behavioral Sciences and a member of the UCSF Academy of Medical Educators. He is the Program Director of the Adult Psychiatry Residency Training Program and the Director of Curricular Affairs for GME for the UCSF School of Medicine. He completed his medical school, psychiatry residency, and forensic psychiatry fellowship training at the University of California, San Francisco and joined the faculty at UCSF in 2009.

He actively teaches in the areas of risk assessment, medical education, forensic psychiatry, leadership, and ethics. Dr. Hung's interests include primary care and mental health integration, the interface between mental health and the legal system, inter-professional collaboration and training, HIV psychiatry,

LGBTQ mental health, and medical education. His educational scholarship interests include competency-based assessment, faculty development, and near-peer learning in the workplace setting. In addition to a general forensic psychiatric practice, Dr. Hung's forensic expertise includes workplace-based harassment for LGBT individuals, neuropsychiatric issues related to HIV, and immigration custody.

Dr. Hung has been named as the incoming Associate Dean for Students in the UCSF School of Medicine. He will assume this new role on July 1, 2022.

OPENING REMARKS

Matthew W. State, MD, PhD

Oberndorf Family Distinguished Professor and Chair
Executive Director, UCSF Child, Teen and Family Center
President, Langley Porter Psychiatric Hospital and Clinics
Director, Langley Porter Psychiatric Institute

MASTER OF CEREMONIES

Descartes Li, MD

Professor of Clinical Psychiatry and Vice Chair for Education

2021-2022 Chief Residents and Fellows

Each year, the Adult Psychiatry Residency Training Program and Child and Adolescent Psychiatry Fellow Program select a number of senior trainees who have demonstrated exceptional clinical and academic leadership skills to serve as chief residents and fellows. These chiefs support the key missions of their respective programs while functioning as mentors and advocates for their trainee colleagues.

ADULT PSYCHIATRY RESIDENCY TRAINING PROGRAM

Amir Abdelli, MD

Chief Resident for Clinical Programs

Anthony Daggett, MD, PhD

Chief Resident for Education

Melody Hu, MD, MHS

Chief Resident for LPPHC Ambulatory Services

Matthew Peters, MD

Chief Resident for LPPHC Intensive Services, Adult Inpatient Service

Kerry-Ann Pinard, MD

Chief Resident for the San Francisco VA Medical Center

William Smith, MD

Chief Resident for Zuckerberg San Francisco General Hospital and Trauma Center

Adnan Syed, MD, MS

Chief Resident for LPPHC Intensive Services, Consultation-Liaison Service

Belinda Wang, MD, PhD

Chief Resident for Research

CHILD AND ADOLESCENT PSYCHIATRY FELLOWSHIP PROGRAM

Chase Anderson, MD

Chief Fellow

Veronica Searles Quick, MD, PhD

Chief Fellow

UCSF Department of Psychiatry and Behavioral Sciences Trainee Research Awards

The UCSF Psychiatry and Behavioral Sciences Trainee Research Award Committee annually selects trainees conducting notable and advanced research through a competitive application process. Those selected are given the opportunity to present their scholarship and research during department Grand Rounds events, receive additional mentorship and guidance from faculty researchers, discuss their work with departmental leadership, and are recognized at a special luncheon.

2022 TRAINEE RESEARCH AWARD RECIPIENTS

Alison Hwong, MD, PhD

Mentor: Christina Mangurian, MD, MAS

"Premature Mortality for People with Serious Mental Illness"

Kristen Nishimi, PhD, MPH

Mentor: Aoife O'Donovan, PhD

"Posttraumatic Stress Disorder in the COVID-19 Pandemic:
Behavior and Physical Health"

Kristen Rudd, PhD

Mentors: Nicki Bush, PhD, and Danielle Roubinov, PhD

"Applying an RDoC Perspective to the Developmental Consequences
of Early Life Stress on Risk for Psychopathology"

Shuyu Wang, MD, PhD

Mentor: Devanand Manoli, MD, PhD

"Systematic Characterization of Social Attachment Behaviors and
Their Underlying Molecular Substrates"

Adult Psychiatry Residency Training Program

Director: Erick Hung, MD

This four-year training program's vision is, "Leaders in Psychiatry: Training Pioneers in Clinical Care, Research, Education, and Public Policy." It admits 16 residents per class, with rotations across multiple sites, including Langley Porter Psychiatric Hospital and Clinics, Zuckerberg San Francisco General Hospital and Trauma Center, the San Francisco VA Health Care System, and the UCSF Health system. The program prepares residents to successful careers as leaders in clinical practice, community service, education, and research.

Amir Abdelli, MD

Education: BS Psychology and Medical Humanities, Oregon State Univ. (2013); MD, Oregon Health and Sciences Univ. (2018). **Honor:** Chief Resident for Clinical Programs (2021-2022). **Senior talk:** "Prevalence of Adverse Childhood Experiences Seen by a Psychiatry Consult-Liaison Service in a Children's Hospital" (2022). **Future plans:** Emergency psychiatrist, Mental Health Emergency Center (Milwaukee, WI).

Alexander R. Bazazi, MD, PhD

Education: BA Philosophy, Boston Univ. (2008); PhD Epidemiology, Yale Univ. (2017); MD, Yale Univ. (2018). **Honor:** UCSF CTSI Resident Research Funding Award (2021). **Senior talk:** "Disparities in HIV Care Among Publicly Insured Adults With and Without Schizophrenia in the United States" (2022). **Future plans:** Attending psychiatrist, UCSF/ZSFG.

RESIDENT RESEARCH
TRAINING PROGRAM

Elizabeth B. Bruns, MD, MS

Education: BA Public Policy, Duke Univ. (2008); MS Public Health, UC Berkeley (2013); MD, UC Berkeley-UCSF Joint Medical Program (2018). **Honor:** UCSF/ZSFG Krevan's Award for Clinical Excellence (2019). **Senior talk:** "A Curriculum for Beings in the Room" (2022). **Achievement:** 150 students and 140 stories of veteran lives collected through the VA My Life My Story curriculum (2020-2022). **Future plans:** Outpatient psychiatrist, Baywell Psychiatry Group (San Francisco, CA).

Anthony Daggett, MD, PhD

Education: BS Neurobiochemistry and BS Psychology, UC San Diego (2007); PhD Neuroscience, UCLA (2016); MD, UCLA (2018). **Honor:** Chief Resident for Education (2021-2022). **Achievement:** Developed DBT skills course for residents. **Senior talk:** “Developing a DBT Skills Course for Personal and Professional Growth of Psychiatry Residents” (2022). **Future plans:** Child and adolescent psychiatry fellow, UCSF.

Renee C. Drolet, MD, MA

Education: BS Neuroscience, Univ. of Miami (2010); MD, Northwestern Univ. (2017). **Honor:** Academy of Consultation-Liaison Psychiatry Trainee Travel Award (2019). **Poster presentation:** “Syndrome of Irreversible Lithium-Effectuated Neurotoxicity (SILENT) Presenting as Protacted Delirium in a Geriatric Patient with Bipolar Disorder,” Academy of Consultation-Liaison Psychiatry Annual Meeting (2019). **Future plans:** TBD.

Melody Y. Hu, MD, MHS

Education: BA Neurobiology and BA Health Policy, Harvard Univ. (2012); MHS, Yale Univ. (2017); MD, Yale Univ. (2018). **Honor:** Chief Resident for LPPHC Ambulatory Services (2021-2022). **Publication:** Co-author, “A Feasibility Study of a Remotely Delivered Mindfulness-Based Training for Adolescents During the COVID-19 Pandemic,” *Frontiers in Psychiatry* (2022). **Future plans:** Attending psychiatrist, UCSF Adult Inpatient Program.

Ying C. Li, MD, PhD

Education: BA Biology, Columbia Univ. (2010); PhD, Neuroscience, UT Southwestern Medical School (2018); MD, UT Southwestern Medical School (2018). **Senior talk:** “Investigating Dopamine 2 Receptors in the Nucleus Accumbens” (2022). **Future plans:** Psychiatric research fellow, UCSF.

Lance Middleton, MD, PhD

Education: BS Exercise Physiology and BS Biology, Louisiana State Univ. (2010); PhD Cancer Genomics, Stanford Univ. (2018); MD, Stanford Univ. (2018). **Publication:** First author, “Ketamine Response and Durability in Veterans with Treatment-Resistant Depression” (in preparation). **Future plans:** Private practice.

Juliet Morgan, MD

Education: MD, Baylor College of Medicine (2015). Neurology residency, UCSF (2019). **Honor:** Chief Resident for Education (2020-2021). **Presentation:** “COVID Stress and Mental Health Impacts of Long COVID,” Long Beach-South Bay CAMFT Meeting (2022). **Future plans:** Staff psychiatrist, CalPsychiatry (San Francisco, CA).

Matthew W. Peters, MD

Education: BA Psychology, UC Berkeley (2011). MD, UCSF (2018). **Honor:** Chief Resident for LPPHC Intensive Services, Adult Inpatient Service. **Senior talk:** “Possible Association of OCD with Epidiolex (Cannabidiol) in a Patient with Lennox-Gastaut Syndrome” (2022). **Future plans:** Staff psychiatrist, Mindful Health Solutions (Burlingame, CA).

Kerry-Ann Pinard, MD

Education: BS Neuroscience and Behavioral Biology, Emory Univ. (2014); MD, Columbia Univ. (2018). **Honors:** Chief Resident for the San Francisco VA Medical Center (2021-2022); Appointed member, Wallerstein Lectureship Selection Committee (2021-2022); Diversity, Equity, and Inclusion Resident Champion (2020-2021). **Senior talk:** “The Longitudinal Clinical Experience Through a Qualitative Lens” (2022). **Presentation:** “Embracing Holism in Mental Health Care: Integrative Psychiatry for Managing Mood Disorders,” 173rd American Psychiatric Association Annual Meeting (2021). **Future plans:** Staff psychiatrist, Baywell Psychiatry Group (San Francisco, CA).

William Smith, MD

Education: BS Chemistry, Northeastern Univ. (2012); MD, Harvard Univ. (2018). **Presentation:** “Caring for Older Adults Experiencing Homelessness in the Inpatient Psychiatry Setting,” American Association for Geriatric Psychiatry Annual Meeting (2022). **Honor:** Chief Resident for Zuckerberg San Francisco General Hospital and Trauma Center (2021-2022). **Senior talk:** “Risks of Developing Neuropsychiatric Symptoms After Deep Brain Stimulation Surgery for Parkinson's Disease” (2022). **Future plans:** Geriatric psychiatry fellow, UCSF.

Adnan Adam Mir Syed, MD, MSc

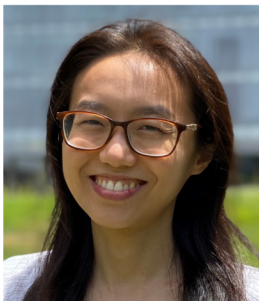

Education: BA Human Biology, Stanford Univ. (2011); MSc Public Health, London School of Hygiene and Tropical Medicine (2013); MS Health and Medical Sciences, UC Berkeley (2016); MD, UCSF (2018). **Honors:** Chief Resident for LPPHC Intensive Services, Consult-Liaison Service (2021-2022); UCSF Resident Teaching Award (2020). **Senior talk:** “Co-Creating Meaning: Examining Models of Mental Illness” (2022). **Poster presentation:** “Long-Acting Paliperidone-Induced Severe Hypothermia in an Elderly Patient,” 172nd American Psychiatric Association Annual Meeting (2019). **Future plans:** Consultation-liaison psychiatry fellow, UCSF.

Belinda Wang, MD, PhD

Education: AB Molecular and Cellular Biology, Harvard Univ. (2010); PhD Biology, Harvard Univ. (2018); MD, Harvard Univ. (2018). **Honors:** Chief Resident for Research (2021-2022); UCSF PGY-3 Medical Student Teaching Award (2021); NIMH Outstanding Resident Award (2020). **Senior talk:** “Spatial Convergence of ASD Risk Genes” (2022). **Publication:** Co-author, “Genomics, Convergent Neurosciences, and Progress in Understand Autism Spectrum Disorders,” *Nature Reviews Neuroscience* (2022). **Future plans:** Child and adolescent psychiatry fellow, UCSF.

RESIDENT RESEARCH
TRAINING PROGRAM

Shuyu Wang, MD, PhD

Education: AB Chemistry, Harvard Univ. (2008); MPhil Chemistry, Univ. of Cambridge (2009); PhD Biology, Massachusetts Institute of Technology (2016); MD, Harvard Univ. (2018). **Honors:** UCSF DPBS Trainee Research Award (2022); Brain and Behavior Research Foundation Young Investigator Grant (2021); UCSF Weill Pilot Award for Junior Investigators in the Neurosciences (2020). **Senior talk:** “Systematic Characterization of Social Attachment Behaviors” (2022). **Future plans:** Non-ACGME postdoctoral research fellow, UCSF.

RESIDENT RESEARCH
TRAINING PROGRAM

Addiction Psychiatry Fellowship Program

Director: Michael Hoefer, MD

Associate Director: Tauheed Zaman, MD

This ACGME-accredited program provides training in the assessment and treatment of substance use disorders in the addiction treatment programs at the San Francisco VA Medical Center and Kaiser Permanente Medical Center.

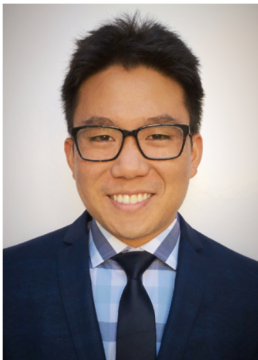

Eric Alcid, MD, PhD

Education: BS Biochemistry, UC Santa Cruz (2006); PhD Molecular and Cellular Biology, Univ. of Washington/Fred Hutchinson Cancer Research Center (2015); MD, Univ. of Washington (2017); Psychiatry residency, UCSF (2021). **Honors:** Chief Resident for LPPHC Intensive Services, Consultation-Liaison Service (2020-2021); UCSF CTSI Resident Research Funding Award (2020). **Future plans:** TBD.

Farhan A. Ladhani, MD

Education: BA Medical Sciences, Boston Univ. (2013); MD, Boston Univ. (2017); Psychiatry residency, Boston Medical Center (2021). **Honor:** Boston Medical Center Psychiatry Residency Humanism Award (2021). **Presentation:** “Determining Prevalence and Characteristics of First Episode and Substance-Induced Psychosis in Patients in the Emergency Department at Boston Medical Center,” Boston Univ. Department of Psychiatry Grand Rounds (2020). **Future plans:** Staff psychiatrist, Baywell Psychiatry Group (San Francisco, CA).

Stephen Leung, MD

Education: BS Human Biology and BA Psychology, UC San Diego (2012); MD, Rush Medical College (2017); Psychiatry residency, Univ. of Michigan (2021). **Honor:** American Academy of Addiction Psychiatry John Renner Award (2020). **Publication:** Co-author, “Effects of Somatic Treatments on Suicidal Ideation and Completed Suicides,” *Brain and Behavior* (2021). **Future plans:** TBD.

Jack Van Bezooeyen, MD

Education: BA Political Science, UC Irvine (2008); MD, Univ. of Southern California (2017); Psychiatry residency, Emory Univ. (2021).

Publication: Co-author, “Managing Treatment-Resistant Depression with Comorbid Substance Use Disorders,” *Managing Treatment-Resistant Depression: Road to Novel Therapeutics* (2022). **Future plans:** Addiction psychiatrist, Mind Therapy Clinic (Corte Madera, CA).

Child and Adolescent Psychiatry Fellowship Program

Director: Caitlin Costello, MD

**Associate Directors: Chuan Mei Lee, MD, MA;
Ashley Maliken, PhD; and Devanand Manoli, MD, PhD**

The aim of this program is to train innovative physicians from diverse backgrounds in a solid foundation of child and adolescent psychiatry—including neurobiology, development, family/social/school systems, research principles, psychopharmacology, and psychotherapeutics—over two years following completion of an adult psychiatry residency.

Through their passionate commitment to the field of child and adolescent psychiatry, these physician leaders will help shape the future of behavioral health care delivery through their clinical, educational, advocacy, and research efforts.

Chase Thaddeus Maceo Anderson, MD, MS

Education: SB Chemistry, Massachusetts Institute of Technology (2011); SM Biological Engineering, Massachusetts Institute of Technology (2013); MD, Northwestern Univ. (2017); Psychiatry residency, Massachusetts General Hospital/McLean Hospital (2020). **Honors:** Chief Fellow (2021-2022); UCSF John A. Watson Faculty Scholar (2022); National LGBT Health Workforce Health Professional Leadership Award (2022); North California Regional Organization of Child and Adolescent Psychiatry Wasserman Education Award (2021). **Publication:** “I’m a Black, Gay Physician. I’m Here Today Because My Friends Saw Me – All of Me,” *WBUR Cognoscenti* (2021). **Future plans:** Assistant professor and Medical Director for The Muses Clinic for Minoritized Youth, UCSF.

Emily Asher, MD

Education: MD, UCSF (2016). Psychiatry residency, Yale Univ. (2020); Public psychiatry fellowship, UCSF (2022). **Honors:** Beck Institute Scholarship (2022); New York Psychoanalytic Institute Fellowship (2021); American Academy of Child and Adolescent Psychiatry Educational Grant (2021). **Presentation:** “Legal Aspects of Caring for Youth with Psychosis and Parental Neglect: A Case Unfolds,” UCSF Child and Adolescent Psychiatry Grand Rounds (2022). **Future plans:** Forensic psychiatry fellow, UCSF.

Ragini Bhushan, MD

Education: BA Biology, Northwestern Univ. (2013); MD, Univ. of Texas Medical Branch at Galveston (2017); Psychiatry residency, Georgetown Univ. (2020). **Achievement:** Scholarly project on fellowship retreats leading to reduction in burnout (2022). **Presentation:** “The Impact of Patient Suicide on Trainees and Potential Solutions to Alleviate This Impact,” UCSF Child and Adolescent Psychiatry Grand Rounds (2022). **Future plans:** Staff psychiatrist, UCSF.

Arielle Lasky, MD, MA

Education: BA Science, Technology and Society, Stanford Univ. (2008); MA Anthropology, UCLA (2017); MD, UCLA (2017), Psychiatry residency, San Mateo Behavioral Health (2020). **Presentation:** “ADHD in Context: Examining the Occupational Choices of Young Adults with ADHD,” UCSF Child and Adolescent Psychiatry Grand Rounds (2022). **Future plans:** TBD.

Veronica B. Searles Quick, MD, PhD

Education: BA International Relations, Brown Univ. (2007); ScB Marine Biology, Brown Univ. (2007); PhD Human Medical Genetics and Genomics, Univ. of Colorado (2015); MD, Univ. of Colorado (2017), Psychiatry residency, UCSF (2021). **Honors:** Chief Fellow (2021-2022); American Psychiatric Association Child and Adolescent Psychiatry Fellow (2019-2021); National Institute for Mental Health Outstanding Resident Award (2019). **Publication:** First author, “Which Emergent Medication Should I Give Next? Repeated Use of Emergent Medications to Treat Acute Agitation,” *Frontiers in Psychiatry/Psychopharmacology* (2021). **Future plans:** Director of Psychiatric Emergency Services, Ohana Medical Group/Montage Health (Monterey, CA).

Jessica Noelle Ming Uno, MD, MA

Education: BA Human Biology, Stanford Univ. (2011); MA Latin American Studies, Stanford Univ. (2012); MD, Univ. of Southern California (2017); Psychiatry residency, Kaweah Delta Health Care District (2020). **Presentation:** “The Other Pandemic: COVID and the Mental Health Crisis,” UC Berkeley Haas School of Business (2021). **Future plans:** Child, adolescent and young adult psychiatrist, Bay Area Clinical Associates (Berkeley, CA).

Child and Adolescent Services Multicultural Clinical Training Program

Director: Barbara K. Stuart, PhD

This program, based at Zuckerberg San Francisco General Hospital and Trauma Center, provides specialized training in empirically supported, trauma-informed, and culturally responsive mental health assessment, treatment, advocacy, and research for youth ages 0-24 and their families in local underserved communities.

DOCTORAL INTERNS

Maria Alejandra Arce, PhD

Education: BA Psychology and Criminal Justice, Florida International Univ. (2014); MA Psychology, Georgia State Univ. (2018); Pediatric psychology services, health resources, and services administration fellowship, Georgia State Univ. (2021); PhD Clinical and Community Psychology, Georgia State Univ. (2022). **Honors:** Georgia State Univ. Provost's Dissertation Fellowship (2021); Georgia State Univ. Department of Psychology Outstanding Graduate Student Research Award (2021). **Presentation:** "Integrating Critical Consciousness into a School-Based Prevention Intervention for Newcomer Latinx Immigrant Youth," Community Research and Action in the West Conference (2022). **Future plans:** Postdoctoral scholar, UCLA.

Hailey E. Caudle, PhD

Education: BS Psychology, Boise State Univ. (2016); MS Psychology, Seattle Pacific Univ. (2018); PhD Clinical Psychology, Seattle Pacific Univ. (2022). **Honor:** Seattle Pacific Univ. Shea Developmental Psychopathology Dissertation Excellence Award (2022). **Achievement:** Creation of a database of evidence-based treatments of adolescent substance use disorders and referral resources for the UCSF Youth Outpatient Substance Use Program. **Future plans:** Postdoctoral fellow, Cadence Child and Adolescent Therapy (Bellevue, WA).

Iveth Cuellar Celallos, PsyD

Education: BA Psychology, UC Santa Cruz (2010); MA Christian Spirituality, Graduate Theological Union (2015); MS Clinical Psychology, Univ. of San Francisco (2020); PsyD Clinical Psychology, Univ. of San Francisco (2022). **Publication:** "The Association Between Physical Pain, Depression, Anxiety, and Nervios Among Latinx Agricultural Workers," dissertation (2022). **Future plans:** Postdoctoral fellow, UCSF Child Trauma Research Program.

Sloan Jade Nova, PsyD

Education: BA Spanish Language and Literature, Univ. of Colorado at Boulder (2012); PsyD Clinical Psychology, The Wright Institute (2022). **Presentation:** “Twice Removed: Clinical Implications for Adolescent Adoptees Placed in Out-of-Home Care,” Adoption Initiative Conference (2022). **Future plans:** Postdoctoral fellow, UCSF Child Trauma Research Program.

Jennifer Stockwood, PsyD

Education: BA Psychology, Yale Univ. (2014); MA Professional Psychology, William James College (2018); PsyD Clinical Psychology, William James College (2022). **Honor:** Massachusetts Psychological Association Eleanor Rosenblum Fellowship in Psychology and Public Policy (2019-2020). **Publication:** Co-author, “The Boston Cognitive Assessment: Convergent and Discriminant Validity of a Self-Administered Measure of Global Cognition,” *The Clinical Neuropsychologist* (2021). **Future plans:** Postdoctoral fellow, Cambridge Health Alliance Child and Adolescent Acute Services (Cambridge, MA).

Kathryn Diane Whistler, PsyD

Education: BFA Ceramics, Tulane Univ. (2012); MA Psychology, Yeshiva Univ. (2019); PsyD Clinical Psychology, Yeshiva Univ. (2022). **Publication:** Co-author, “Identifying Predictors of Psychological Distress During COVID-19: A Machine Learning Approach,” *Frontiers in Psychology* (2020). **Future plans:** TBD.

POSTDOCTORAL FELLOWS

Moorea Blythe, PsyD

Education: BA Psychology, California State Univ., Chico (2015); PsyD Clinical Psychology, The Wright Institute (2021). **Presentation:** “Examining How California's New Family Therapy Benefit Promotes Equitable Access to Preventative Behavioral Health Services in Primary Care: A HealthySteps Billing Study,” Society for Pediatric Psychology Annual Conference (2022). **Future plans:** TBD.

Kelly L. Edyburn, PhD

Education: BA English and Spanish, Univ. of Oregon (2012); MEd Counseling, Clinical and School Psychology, UC Santa Barbara (2016); Predoctoral psychology internship, Travis County Juvenile Probation Department (2019); PhD Counseling, Clinical and School Psychology, UC Santa Barbara (2019); Postdoctoral research fellowship, Children's Equity Project (2020). **Publication:** First author, “Integrating Intersectionality, Social Determinants of Health, and Healing: A New Training Paradigm in School-Based Mental Health,” *School Psychology Review* (2022). **Future plans:** TBD.

Clinical Psychology Training Program

Director: Dale E. McNeil, PhD

Founded in 1943, this program trains scientist-practitioners committed to careers involving clinical research. The training programs at the Langley Porter Psychiatric Institute and Zuckerberg San Francisco General merged in 1982 to become a two-year program offering a doctoral internship and postdoctoral fellowship.

DOCTORAL INTERNS

Leigh C. Brosof, PhD

Education: BA Psychology, Washington Univ. in St. Louis (2016); PhD Clinical Psychology, Univ. of Louisville (2022). **Honor:** American Psychological Association Dissertation Research Award (2021). **Publication:** First author, "Intolerance of Uncertainty Moderates the Relationship Between High Personal Standards, But Not Evaluative Concerns: Perfectionism and Eating Disorder Symptoms Cross-Sectionally and Prospectively," *Eating Behaviors* (2019). **Future plans:** Postdoctoral fellow, UCSF Clinical Psychology Training Program.

Carolyn Ponting, PhD

Education: BA Psychology and BA Spanish Literature, UC Berkeley (2013); MA Clinical Psychology, UCLA (2017); PhD Clinical Psychology, UCLA (2022). **Honor:** American Psychological Association Dissertation Research Award (2020). **Research:** "Biobehavioral Issues in Physical and Mental Health," National Institute for Mental Health T32 (2018-2019). **Publication:** First author, "Cognitive Behavioral Stress Management Effects for Prenatal Anxiety Among Low-Income Women: A Randomized Controlled Trial," *Journal of Consulting and Clinical Psychology* (2021). **Future plans:** Postdoctoral fellow, UCSF Clinical Psychology Training Program.

Megan K. Ramaiya, PhD

Education: BA Biology and Global Health, Duke Univ. (2009); MSc Global Health, Duke Univ. (2015); PhD Clinical Psychology, Univ. of Washington (2022). **Publication:** "Let's Talk About It': Predicting Lay Provider Competency in Addressing Suicidal Behavior in Nepal," doctoral dissertation (2022). **Future plans:** Postdoctoral fellow, UCSF Clinical Psychology Training Program.

Rowan Saloner, PhD

Education: BS Neurobiology, Physiology and Behavior, UC Davis (2013); MS Clinical Psychology, San Diego State Univ. (2019); PhD Clinical Psychology, San Diego State Univ./UC San Diego Joint Doctoral Program (2022). **Honors:** American Psychological Association Division 12 Distinguished Student Research Award (2021); American Psychological Association Division 40 Blue Ribbon Award (2018); International Neuropsychological Society Phillip M. Rensick Award (2017). **Research:** “SuperAging in HIV-Infected Adults: Biopsychosocial Predictors of Neurocognitive Aging Trajectories,” National Institute on Aging F31 (2019-2022). **Future plans:** Postdoctoral research fellow, UCSF Memory and Aging Center.

Aya Inamori Williams, PhD

Education: BA Linguistics and BA Psychology, Stanford Univ. (2011); PhD Clinical Psychology, UC Berkeley (2022). **Publication:** First author, “Dynamic Associations Between Emotion Expression and Regulation Among Preschoolers in Low-Income Chinese American and Mexican American Immigrant Families,” *Emotion* (2022). **Future plans:** Postdoctoral scholar, UCSF Dyslexia Center.

POSTDOCTORAL FELLOWS

Melissa H. Bond, PhD

Education: BA Psychology, Chapman Univ. (2015); MS Clinical Psychology, Palo Alto Univ. (2018); PhD Clinical Psychology, Palo Alto Univ. (2021). **Honor:** Palo Alto Univ. Predoctoral Fellowship in Evaluation, Assessment, and Statistics (2018-2020). **Publication:** Co-author, “Accuracy and Bias in Perceptions of Relationship Authenticity,” *Journal of Social and Personal Relationships* (2019). **Future plans:** Postdoctoral fellow, UCSF Child Trauma Research Program.

Hannah G. Bosley, PhD

Education: BA Psychology and Linguistics, Rice Univ. (2013); MA Psychology, UC Berkeley (2017); PhD Psychology, UC Berkeley (2021). **Honor:** UC Berkeley Leiman Prize for Outstanding Teaching and Mentorship (2020). **Publication:** Co-author, “Identifying the Presence and Timing of Discrete Mood States Prior to Therapy,” *Behavior Research and Therapy* (2020). **Future plans:** Psychotherapist, Berkeley Therapy Institute.

Elizabeth Hawkey, PhD

Education: BA Psychology and Art, Univ. of Missouri (2009); MA Psychology, Washington Univ. in St. Louis (2017); PhD Clinical Psychology, Washington Univ. in St. Louis (2021). **Honors:** UCSF Weill Institute Women in Neurosciences Award (2020); National Science Foundation Graduate Research Fellowship (2015). **Presentation:** “Altered Network Organization and Screen Time Use in Childhood Attention-Deficit/Hyperactivity Disorder (ADHD),” 8th Flux Congress (2020). **Future plans:** TBD.

Alice Hua, PhD

Education: BA Psychology, UC Berkeley (2012); MA Psychology, UC Berkeley (2018); PhD Psychology, UC Berkeley (2021). **Publication:** Co-author, “Right Anterior Temporal Degeneration and Loss of Socioemotional Semantics: The Semantic Behavioral Variant Frontotemporal Dementia,” *Brain* (2022). **Future plans:** Psychologist, Deeper Than Color (Oakland, CA).

Clifford Attkisson Clinical Services Research Training Program

Director: Linda Pfiffner, PhD

Associate Directors: Kaja LeWinn, ScD, and Rachel Loewy, PhD

The NIMH-funded Clifford Attkisson Clinical Services Research Training Program (CSRTP) is focused on bridging the dissemination and implementation gap between science and service. For the past 37 years, CSRTP has launched the careers of clinical services investigators from a variety of disciplines (including psychology, social work, epidemiology, sociology, medicine, health economics, and nursing) who plan to pursue careers in mental health services research.

Marianne Pugatch, PhD, MSW

Education: BA English, Columbia Univ. (1987); MSW, Boston College (1998); Predoctoral traineeship, National Institute on Alcohol Abuse and Alcoholism (2013); MA Social Policy, Brandeis Univ. (2013); VA Advanced Interprofessional Addiction Research and Clinical Fellowship (2017); PhD Social Policy and Management, Brandeis Univ. (2017); Leadership and Education in Adolescent Health Training Program (2020). **Honors:** Mechanisms of Behavior Change Satellite Award; Invited presentation, Health Resources and Services Administration Maternal and Child Health Bureau. **Research:** “The Preferences and Experiences of Adolescents with ADHD for a Virtual Behavioral Health System: A Life Course Intervention Pilot Study of ChangeGradients,” Life Course Intervention Research Network grant (2021–2022). **Future plans:** Adolescent/young adult health postdoctoral fellow, UCSF.

Consultation-Liaison Psychiatry Fellowship Program

Director: Kewchang Lee, MD

This one-year clinical training program is based primarily at the San Francisco VA Medical Center and gives fellows the opportunity to gain expertise in inpatient and outpatient consultation-liaison work, acquire advanced teaching and leadership skills, and develop clinical research interests in an academic setting. Fellows may also choose to develop a liaison focus in a specialty area of interest, such as infectious disease, oncology, movement disorders, epilepsy, addiction, geriatrics, women's health, organ transplantation, sleep medicine, and bariatric surgery.

Gowri G. Aragam, MD

Education: AB Neurobiology, Harvard Univ. (2008); MD, Univ. of Massachusetts (2014); Psychiatry residency, Massachusetts General Hospital/McLean Hospital (2018). **Publication:** Senior author, “Healing Ethno-Racial Trauma in Black Communities: Cultural Humility as a Driver of Innovation,” *JAMA Psychiatry* (2021). **Future plans:** Assistant professor of psychiatry, UCSF.

Forensic Psychiatry Fellowship Program

Director: Renée L. Binder, MD

The fellowship in psychiatry and the law is a one-year program offering advanced training in the field of forensic psychiatry, including the psychiatric evaluation of individuals involved with the legal system, the legal regulation of general psychiatric practice, and specialized psychiatric treatment of forensic populations. After fellows complete the program, they are eligible to take an examination for sub-specialty certification in forensic psychiatry.

Hwa Soo Hoang, MD

Education: MD, Kyunghee Univ. (2003); Psychiatry residency, Westchester Medical Center/New York Medical College (2012); Child psychiatry fellowship, Bronx-Lebanon Hospital Center/Albert Einstein College of Medicine (2014). **Publication:** Co-author, “The Impact of the 2008 Amendment of the Americans with Disabilities Act in the Correctional Setting,” *Journal of the American Academy of Psychiatry and the Law* (2022). **Future plans:** Staff psychiatrist, UCSF.

Tianyi Zhang, MD

Education: BA Spanish and Portuguese and BA Molecular and Cell Biology, UC Berkeley (2012); MD, UCSF (2017); Psychiatry residency, UCSF (2021). **Honor:** UCSF Adult Psychiatry Residency Training Program Award in Public and Community Service (2021). **Publication:** First author, “Expert Testimony in Sex Trafficking Cases,” *Journal of the American Academy of Psychiatry and the Law* (2022). **Future plans:** Assistant clinical professor, UCSF.

HEAL Fellowship Program in Global Mental Health

Director: Bibhav Acharya, MD

This innovative and rigorous two-year program is offered by UCSF in partnership with the HEAL Initiative. Its goal is to train psychiatrists as leaders in clinical practice, capacity building, health systems strengthening, and health services research in low-resource settings in the United States and abroad. Fellows have completed four mentored rotations at Navajo Nation in Arizona and in rural Nepal.

Tula Krishna Gupta, MD

Education: MBBS, Tibhuvan Univ. (2010); MD, B.P. Koirala Institute of Health Sciences (2016). **Poster presentation:** “Using Digital Platforms to Deliver Resilience Training to Counter Burnout in Health Care Workers in Rural Nepal,” 42nd Society for the Study of Psychiatry and Culture Annual Meeting (2020). **Future plans:** TBD.

Kristin D. Nguyen, MD

Education: BS Molecular and Microbiology, Univ. of Central Florida (2013); MD, Mayo Clinic (2017); Psychiatry residency, UCSF (2021). **Honor:** Chief Resident for Clinical Programs (2020-2021). **Poster presentation:** “The Man Who Mistook His Wife for His Mother: Intermetamorphosis Delusion in a Patient with Glioblastoma,” 67th Academy of Consultation-Liaison Psychiatry Annual Meeting (2019). **Future plans:** Staff inpatient psychiatrist, Zuckerberg San Francisco General Hospital and Trauma Center.

Eva Studer, MD

Education: BA Philosophy, Baylor Univ. (2009); MD, Univ. of Texas Southwestern Medical Center (2015); Psychiatry residency, Univ. of Texas Dell Medical School (2020). **Poster presentation:** “Multiple and Often Conflicting Roles of Community Health Workers in Rural Chiapas, Mexico,” 44th Society for the Study of Psychiatry and Culture Annual Meeting (2022). **Future plans:** Staff psychiatrist, Avail Telemedicine.

Postdoctoral Traineeship in Substance Use Disorders Treatment and Services Research

Director: Derek D. Satre, PhD

Associate Director: Janice Y. Tsoh, PhD

This postdoctoral training program prepares future research scientists for a career developing new insights into the treatment of substance use disorders and increasing the efficacy of treatment services delivery.

Monique Tenay Cano, PhD

Education: BS Psychology, Univ. of Texas-Pan American (2010); MA Clinical Psychology, Univ. of Texas-Pan American (2012); PhD Clinical Psychology, Palo Alto Univ. (2020). **Publication:** First author, “Factors Associated with Smoking in Low-Income Persons With and Without Chronic Illness,” *Journal of Tobacco-Induced Diseases* (2021). **Future plans:** Assistant professor, Univ. of Texas-Rio Grande Valley (Edinburg, TX).

Caravella McCuistian, PhD

Education: BA Psychology, Univ. of Cincinnati (2012); MA Clinical Psychology, Univ. of Cincinnati (2016); PhD Clinical Psychology, Univ. of Cincinnati (2019); Clinical psychology fellowship, UCSF (2020). **Honor:** Zuckerberg San Francisco General Clinical Research Startup Award (2019). **Publication:** First author, “Advancing Health Equity Through Substance Use Research,” *Journal of Psychoactive Drugs* (2021). **Future plans:** TBD.

Public Psychiatry Fellowship Program

Director: Christina Mangurian, MD, MAS

This one-year program based at Zuckerberg San Francisco General Hospital and Trauma Center is aimed at training the next generation of public mental health care leaders. These fellows are training to provide excellent patient-centered care to vulnerable populations with severe mental illnesses through understanding and evidence-based psychosocial rehabilitation and psychopharmacological treatments, promoting recovery and developing rewarding public-academic partnerships to examine their work.

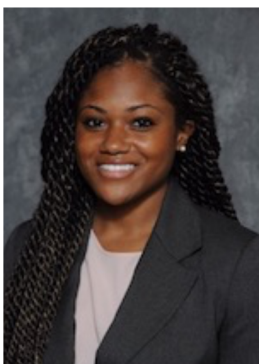

Tiffany E. Arnold, MD

Education: BA Biology, Univ. of Louisiana at Lafayette (2012); MD, Louisiana State Univ.-Shreveport (2016); Psychiatry residency, Louisiana State Univ.-Shreveport (2020); Addiction psychiatry fellowship, UCSF (2021). **Future plans:** TBD.

Emily Asher, MD

Education: MD, UCSF (2016). Psychiatry residency, Yale Univ. (2020); Child and adolescent psychiatry fellowship, UCSF (2022). **Honors:** Beck Institute Scholarship (2022); New York Psychoanalytic Institute Fellowship (2021); American Academy of Child and Adolescent Psychiatry Educational Grant (2021). **Presentation:** “Legal Aspects of Caring for Youth with Psychosis and Parental Neglect: A Case Unfolds,” UCSF Child and Adolescent Psychiatry Grand Rounds (2022). **Future plans:** Forensic psychiatry fellow, UCSF.

Stacie Collins, MD

Education: BS Psychology, Howard Univ. (2010); MD, UCLA/Charles R. Drew Univ. (2016); Psychiatry residency, UCLA (2019); Child and adolescent psychiatry fellowship, UCSF (2021). **Poster presentation:** “Mental Health Treatment for Patients in the Child Welfare System and Family Reunification,” 174th American Psychiatric Association Annual Meeting (2022). **Future plans:** Attending child psychiatrist, San Francisco Department of Public Health.

N. Kyle Jamison, MD

Education: BS Neuroscience, Brigham Young Univ. (2011); MD, Ohio State Univ. (2016); Psychiatry residency, Indiana Univ. (2020). **Presentation:** “Transitions from Primary Care to Specialty Mental Health: Understanding Characteristics of Successful Referrals in the Public Mental Health System,” 173rd Annual Meeting of the American Psychiatric Association (2021). **Future plans:** Assistant professor of psychiatry, UCSF.

Zachary Lenane, MD, MPH

Education: BA & BSc McGill Univ. (2010); MPH & MD, Tulane Univ. (2018); Psychiatry residency, San Mateo County Behavioral Health and Recovery Services. **Honor:** American Psychiatric Association Edwin Valdiserri Correctional Public Psychiatry Fellowship (2020-2022). **Poster presentation:** “Buprenorphine Prescription Patterns in a County Correctional Facility: Patient Population and Post-Release Outcomes,” 174th American Psychiatric Association Annual Meeting (2022). **Future plans:** Staff psychiatrist, Dutcher Hall/Whiting Forensic Division (Middletown, CT).

Rita E. Morales-Wang, MD

Education: BA Psychology and Art History, Columbia Univ. (2010); MD, Columbia Univ. (2017); Psychiatry residency, Columbia Univ. (2021). **Poster presentation:** “Addressing Barriers to Perinatal Mental Health Care in Safety Net Settings: A Feasibility Pilot Study,” 174th American Psychiatric Association Annual Meeting (2022). **Future plans:** Attending psychiatrist, San Francisco Department of Public Health.

San Francisco VA Health Care System Advanced Postdoctoral Research Fellowship

Director: Brian Borsari, PhD

The primary goal of the VA Advanced Postdoctoral Research Fellowship program is to train postdoctoral fellows in state-of-the-art mental health neuroscience research and advanced clinical training in a particular area of emphasis. Fellows have two years of training, with the possibility of a third year.

EMPHASIS IN ADDICTION

Mentor: Brian Borsari, PhD

Catherine Baxley, PhD

Education: BS Psychology, Univ. of North Texas (2014); MS Clinical Psychology, Saint Louis Univ. (2017); PhD Clinical Psychology, Saint Louis Univ. (2020); Predoctoral psychology internship, UCSF/San Francisco VA Health Care System (2020). **Publication:** First author, “Changes in Secondary Outcomes Associated with Brief Interventions for Problem Gambling in Methadone Patients,” *Addictive Behaviors* (2021). **Future plans:** TBD.

EMPHASIS IN SCHIZOPHRENIA

Mentor: Judith Ford, PhD

Elhum A. Shamshiri, PhD, MSc

Education: BA Cognitive Science and Psychology, UC Irvine; MSc Cognitive Neuroscience, University College London; PhD Imaging and Biophysics, University College London. **Publication:** Co-author, “Deficient Resting-State Auditory Bold Coupling to Gamma EEG in Schizophrenia,” *Biological Psychiatry* (2021). **Future plans:** TBD.

San Francisco VA Health Care System

Clinical Psychology Doctoral Internship Program

Director: Nicole D. Torrence, PhD

Co-Director: Jennifer E. Boyd, PhD

This one-year doctoral internship in clinical psychology is accredited by the American Psychological Association and is a generalist training program emphasizing neuropsychological assessment and evidence-based clinical interactions.

Maria Kryza-Lacombe, PhD

Education: BS Psychology, State Univ. of New York-Plattsburgh (2009); MA Psychology, City College of New York (2016); MS Clinical Psychology, San Diego State Univ. (2019); PhD Clinical Psychology, San Diego State Univ./UC San Diego Joint Doctoral Program (2022). **Honor:** San Diego State Univ. Interdisciplinary Graduate Fellowship (2016). **Publication:** First author, “Changes in Neural Reward Processing Following Amplification of Positivity Treatment for Depression and Anxiety: Preliminary Findings from a Randomized Waitlist-Controlled Trial,” *Behaviour Research and Therapy* (2021). **Future plans:** Postdoctoral research fellow, UCSF/San Francisco VA Health Care System.

Keisha D. Novak, PhD

Education: BS Psychology and Sociology, Missouri State Univ. (2009); MA Clinical Psychology, Ball State Univ. (2015); PhD Clinical Psychology, Purdue Univ. (2022). **Honors:** Indiana Clinical and Translational Sciences Institute Predoctoral Fellowship (2018-2020); C. Eugene Walker Outstanding Graduate Student Award (2016). **Publication:** First author, “Teasing Apart the Anticipatory and Consummatory Processing of Monetary Incentives: An Event-Related Potential Study of Reward Dynamics,” *Psychophysiology* (2015). **Future plans:** Advanced MIRECC Postdoctoral Fellow in Schizophrenia Research, UCSF/San Francisco VA Health Care System.

Joshua Glenn Parmenter, PhD

Education: BA Psychology and BFA Theatre, Pacific Lutheran Univ. (2015); MS Clinical Psychology, Utah State Univ. (2018); PhD Clinical Psychology, Utah State Univ. (2022). **Honor:** *The Counseling Psychologist* Outstanding Student Paper Award (2021). **Publication:** First author, “An Exploration of LGBTQ+ Community Members’ Positive Perceptions of LGBTQ+ Culture,” *The Counseling Psychologist* (2020). **Future plans:** Postdoctoral fellow, Univ. of Missouri-Columbia.

Jennifer Stewart, PsyD

Education: BA Psychology, Wake Forest Univ. (2015); PsyD Clinical Psychology, PGSP-Stanford PsyD Consortium (2022). **Publication:** “Symptom Reduction and Psychological Flexibility: An Examination of ACT-Based Group Intervention for Dual-Diagnosis Patients,” doctoral dissertation (2022). **Future plans:** Postdoctoral fellow, UCSF/ San Francisco VA Health Care System.

K. Mandy Zenda, PhD

Education: BA Sociology and Applied Psychology, UC Santa Barbara (2015); MA Clinical Psychology, Alliant International Univ. (2019); PhD Clinical Psychology, Alliant International Univ. (2022). **Honors:** Alliant International Univ. Dean's Award of Excellence (2021); Dr. Jeffrey W. Braunstein Memorial Scholarship (2021). **Publication:** “Analyzing Predictors of Minority Parents' Satisfaction with their Child's Psychotherapy,” doctoral dissertation (2022). **Future plans:** Postdoctoral fellow, Stanford Univ. (Palo Alto, CA)

San Francisco VA Health Care System Clinical Psychology Postdoctoral Fellowship Program

Director: Samuel Wan, PhD

Assistant Directors: Stephanie Cardoos, PhD, and Elizabeth Shoemaker, PhD, ABPP

This one-year postdoctoral fellowship in clinical psychology is accredited by the American Psychological Association and offers specialized training in the areas of evidence-based psychotherapy, HIV/HCV psychology, geropsychology, primary care psychology, PTSD and returning veterans, substance use disorders treatment, psychosocial rehabilitation, rural psychology, trauma, and women's mental health.

Madison Brenna Bailey, PsyD

Education: BS Clinical Psychology, Manhattan College (2016); MS Clinical Psychology, California Lutheran Univ. (2019); PsyD Clinical Psychology, California Lutheran Univ. (2021); Doctoral clinical psychology internship, VA Maine Health Care System (2021). **Poster presentation:** “Developing the Infectious Disease Care and Resilience (ID CaRe) Team: An Integrated and Culturally Affirming Approach to Improving Health Engagement for HIV-Positive Veterans,” Association of VA Psychologist Leaders (2022). **Future plans:** Adjunct professor, Univ. of San Francisco.

Anna E. Blanken, PhD

Education: BA Linguistics and Cognitive Science, Pomona College (2013); MA Clinical Psychology, Univ. of Southern California (2017); PhD Clinical Psychology, Univ. of Southern California (2021); Doctoral clinical psychology internship, UCSF/San Francisco VA Health Care System (2021). **Publication:** First author, “Racial/Ethnic Disparities in the Diagnosis and Management of Menopause Symptoms Among Midlife Women Veterans,” *Menopause* (2022). **Future plans:** Staff psychologist, San Francisco VA Health Care System.

Julia I. Bravin, PhD

Education: BA Psychology, Haverford College (2010); PhD Clinical Psychology, San Diego State Univ./UC San Diego Joint Doctoral Program (2020); Doctoral clinical psychology internship, VA Puget Sound Health Care System (2021). **Publication:** Co-author, “Relationships of Sleep Duration, Midpoint, and Variability with Physical Activity in the HCHS/SOL Sueño Ancillary Study,” *Behavioral Sleep Medicine* (2021). **Future plans:** TBD.

James Michael Brennan, PhD

Education: BA Political Science and Russian, College of the Holy Cross (2008); MA Clinical Psychology, Univ. of Montana (2019); PhD Clinical Psychology, Univ. of Montana (2021). **Publication:** First author, “A Cognitive-Behavioral Model of Concealment of Gender and Sexual Identity and Associations with Physical and Mental Health,” *Psychology of Sexual Orientation and Gender Diversity* (2021). **Future plans:** TBD.

Alejandra Ceja, PhD

Education: BA Psychology, California State Univ.-Dominguez Hills (2015); MA Clinical Psychology, Alliant International Univ. (2019); PhD Clinical Psychology, Alliant International Univ. (2021); Doctoral clinical psychology internship, UCSF/San Francisco VA Health Care System (2021). **Honors:** Alliant International Univ. California School of Professional Psychology Dean's Award of Excellence (2017-2019); Alternate, American Psychological Association Minority Fellowship (2019). **Publication:** First author, “Posttraumatic Stress Disorder Symptom Expression in Racially and Ethnically Diverse Women Veterans,” *Psychiatry Research* (2022). **Future plans:** TBD.

Megan Filice, PhD

Education: PhD Clinical Psychology, Palo Alto Univ. (2021). **Publication:** “Self-Compassion: The Relationship Between Self-Compassion and Partner-Perceived Responsiveness in Mothers of Children with Autism Spectrum Disorder,” doctoral dissertation (2020). **Future plans:** TBD.

Mayra A. Gomez Padua, PhD

Education: BA Psychology and BA Biology, UC San Diego (2011); MS Clinical Psychology, Palo Alto Univ. (2019); PhD Clinical Psychology, Palo Alto Univ. (2021); Doctoral clinical psychology internship, UCSF/San Francisco VA Health Care System (2021). **Poster presentation:** “Differences in Self-Reported Fears of COVID-19 and Coping Styles Among Previously Traumatized Adults With and Without Diagnosable PTSD from the COVID-19 Pandemic,” International Society of Traumatic Stress Studies Annual Meeting (2021). **Future plans:** Staff psychologist, San Diego VA Health Care System.

Krista L. Herbert, PhD, MA

Education: BA Psychology, Richard Stockton College of New Jersey (2011); MA Clinical and Counseling Psychology, William Paterson Univ. (2013); PhD Clinical Psychology, Rowan Univ. (2021)

Publication: First author, "Use of Mobile Apps and Stepped-Care Approaches for Treating Depression in Primary Care," *Primary Care: Clincs in Office Practice* (2022). **Future plans:** Staff psychologist, VA Portland Health Care System.

Stephanie Randazzo, PsyD

Education: BA Psychology, City Univ. of New York College of Staten Island (2015); MA Clinical Psychology, Alliant International Univ. (2018); PsyD Clinical Psychology, Alliant International Univ. (2021).

Future plans: TBD.

Alisha P. Saxena, PsyD

Education: BA Psychology, Univ. of Pennsylvania (2013); MA Psychology in Education, Columbia Univ. (2015); MS Clinical Psychology, PGSP-Stanford PsyD Consortium (2018); PsyD Clinical Psychology, PGSP-Stanford PsyD Consortium (2021). **Honor:** PGSP-Stanford PsyD Consortium Award for Excellence in Diversity (2020).

Publication: Co-author, "Pilot Randomized Trial of Self-Guided Virtual Reality Exposure Therapy for Social Anxiety Disorder," *Behaviour Research and Therapy* (2021). **Future plans:** TBD.

Conor J. Smith, PsyD

Education: BA English and Philosophy, Boston College (2013); MS Clinical Psychology, Univ. of San Francisco (2016); PsyD Clinical Psychology, Univ. of San Francisco (2021). **Honors:** Kaiser Permanente Scholarship (2019); Dean Karshmer Academic Fund Scholarship (2016-2017).

Research: QI Project Lead, LGBTQ+ Veterans' Experiences in San Francisco VA Medical Practice. **Future plans:** TBD.

Aaron D. Stumpf, PhD

Education: BA Philosophy and Political Science, Univ. of Wisconsin-Madison (2005); MS Counseling Psychology, Univ. of Wisconsin-Madison (2016); PhD Counseling Psychology, Univ. of Wisconsin-Madison (2021); Doctoral clinical psychology internship, White River Junction Medical Center (2021). **Future plans:** Readjustment counselor, Peninsula Vet Center (Menlo Park, CA).

San Francisco VA Health Care System Postdoctoral Clinical Neuropsychology Residency Training Program

Director: Johannes Rothlind, PhD

Assistant Director: Nicole Crocker, PhD

This two-year clinical training program offers trainees supervised experiential and didactic training opportunities at the SFVAHCS Neurology Rehabilitation Medicine TBI Program, SFVAHCS Neuropsychological Assessment Program, UCSF Epilepsy Center, and UCSF Memory and Aging Center.

Jerry Chen, PhD

Education: BA Psychology, UC Santa Cruz (2013); MS Clinical Psychology, Palo Alto Univ. (2017); PhD Clinical Psychology, Palo Alto Univ. (2020). **Future plans:** Rehabilitation neuropsychologist, UC Davis Health (Sacramento, CA).
